### Cuba Holds 31 As Aides to CIA

MIAMI, Fla. (AP)—Havana radio said today that the Cuban government arrested 31 Cubans on charges of supplying valuable military and economic secrets to the Central Intelligence Agency.

The broadcast, monitored in Miami, claimed that the Cubans passed the secrets through the U.S. Naval Base at Guantanamo in Oriente province.

Those caught had with them coded messages, stationery for so-called "secret or invisible writing" and money orders from the CIA, the broadcast said.

The newscast identified Francisco Torres Carrion and Santiago Duany as their leaders. All were arrested by the state security department in Camaguey province, the radio said.
